Dear Cody,

This past week, I know there's been a lot of discussion about school reopening in the fall. As a father of two six-year-old boys, I take this issue very seriously.

We need a comprehensive plan that **puts the health and safety of our students, teachers, and staff first**. We have to do everything we can to limit the spread of the coronavirus. In Congress, I'm working to ensure our schools have the funding, resources, and support they need during this pandemic.

I want to get your input on school reopening in the fall. By taking this four-question survey, you agree to receive occasional updates from me via email.

**Are you a parent of a student currently enrolled in K-12?**

- ☐ Yes  
☐ No

**Under our current circumstances, should schools reopen in the fall?**

- ☐ Yes  
☐ No  
☐ Not sure

**For the rest of the year, would you prefer your child to continue distance/online learning or a hybrid model where half the student population alternates between attending in-person school and distance learning?**

- ☐ Distance/Online learning only  
☐ Hybrid Model  
☐ Everyone is full-time in school  
☐ Not sure

**Would you support the following safety precautions implemented in our schools? (Click all that apply)**

- ☐ Wearing a mask  
☐ Social distancing  
☐ Temperature checks  
☐ Reduced class sizes  
☐ Actively cleaning high-touch surfaces  
☐ Promoting safe hygiene habits  
☐

I appreciate and value your input and feedback. I've been getting a lot of comments about school reopening, and I want you to know that I'm talking with teachers and school leaders regularly to figure out our best and safety path forward in the fall.

I also wanted to invite you to my **town hall next week, Thursday, July 23rd at 4:00 PM**, with California Secretary of State Alex Padilla and representatives from the U.S. Census Bureau. We will be talking about the U.S. Census and providing an update on 2020 voting procedures. **You can RSVP and submit questions [here](#).**
